INSTRUCTIONS AND INFORMATION

A. ANNOUNCEMENTOF EXAMINATION

Before filling out your application, read carefully the announcement for this examination.

When completing your application, be sure to enter, at the top of page 1, the examination number which identifies the examination for which you are filing.

B. ADMISSION TO EXAMINATION

Do not interpret a notice to appear for, or actual participation in the examination, to mean that you have been found to meet fully the announced requirements.

Depending on the time available before an examination, applicants may be admitted to the examination on the basis of statements made on the application or conditionally, without prior review of the application. Such statements may not be reviewed and/or verified until after the examination is held. At that time those candidates not meeting the requirements will be disqualified and notified of such disqualification. Those candidates who are subsequently disqualified after taking the test may NOT be notified of their score.

Call this agency immediately if you do not receive a notice within three days of examination informing you whether or not you are to be admitted to the examination.

C. CHANGE OF ADDRESS

Notify this agency immediately of any change of address or phone number. When writing give the number and title of examinations.

D. SPECIAL TESTING ARRANGEMENTS

If you need special arrangements because you are a Religious Observer (for religious reasons cannot be tested on date of examination), or if you require reasonable accommodations in order to participate in the examination, you must EITHER:

- Check the appropriate box in question 5 and indicate the special arrangements you require in the remarks section below
 OR
- Write to this agency no later than the last date of filing for this examination. Your request must include examination number and title and the special type of arrangements required.

E. VETERANS' CREDITS

If you are making a claim for veterans' credits with this application, be sure you read the following information very carefully.

Any claim for additional credit as a disabled or non-disabled war veteran for the examination should be made with this application. If you are claiming veterans' credits, you must check the appropriate category in question 4 and answer all questions 9 A-E. Failure to do so accurately and completely may result in a denial of your claim.

If you are claiming credits as a disabled war veteran, you must, in addition to meeting the requirements as indicated by a "YES" answer to questions 9 A-D and a "NO" answer to question 9 E, be certified by the veterans' administration as being entitled to receive payments for a service-connected disability rated at 10 percent (10%) or more incurred during a "Time of War or Hostilities" as indicated in question 9B.

Persons claiming credit as disabled war veterans will be contacted by this agency for additional information as necessary.

All claims and grants of veterans' credits are tentative and must be verified through inspection of discharge papers and other related documents, as necessary, prior to the establishment of the eligible list. You will be advised as to which documents must be produced by you for this verification. All statements you make in support of your claim for additional credits are subject to investigation and substantiation by this agency. In the event of subsequent disclosure of any material misstatement or fraud in this claim, your appointment may be rescinded and you may be disqualified from further appointment from any eligible list on which you have been granted additional credit as a result of such misstatement or fraud.
